

Senior Nina LaBarba

LaBarba has played volleyball for the past 10 years. Her favorite part about volleyball is "the teamwork...you have to be mentally together as a team and you have to be able to work together."

Sophomore Ellea Lamb

The only junior captain on cross country, Lamb has been running cross country for the past three years. "I'd always done just individual sports before and even though this is still a single person sport, our team is just so close," Lamb said.

Senior Nicole Krampitz

Krampitz has played volleyball for Hockaday for the past six years. "I think this year we grew as a team because we began to communicate and we began to get aggressive with our hitting which we weren't doing before," Krampitz said.

Senior Lana Perkins

Perkins has been playing field hockey since seventh grade and has been on the varsity team since her freshman year. "The team is just really fun. I really enjoy bonding with people from all grades and forming friendships with them," Perkins said.

Senior Greer Christie

Christie has played volleyball for the past eight years. In regards to their SPC performance, Christie said that "if we focus and we really work together, we can make it pretty far." Because the team did not qualify for SPC last year, they "worked really hard to make sure that this happened," Christie said.

Senior Frances Burton

This was Burton's first year on the team; she joined after some injuries barred her from playing contact sports. Burton's favorite thing about cross country is a "combination of Coach Bean and the environment."

Senior Gigi Lancaster

Lancaster has been playing field hockey for six years, since seventh grade. She said that, in comparison to past years, the team is "really close and we play a lot more as a team than individuals. We really pump each other up."

Senior Berkley Wood

Wood has been running cross country for three years. Her favorite memory from the season was riding on the bus to a meet in Austin with Coach Bean and "having him sing all the words to all of these obscure songs and dancing in his seat."
