### Light up the night

Busy streets in the University of Incarnate Word sparkle for the holidays with brightly decorated trees with lights. Students walk their way to class or home with a vibrant holiday spirit in the air on the Incarnate Word bridge. For more information on the lighted campus, see the UIW review on page 8. Tip three: Gather allies. With your peers to ensure you will last 'till the end of the world, alliances and study buddies if you

School is the living through it's chaotic zombie apocalypse; it's chaotic. Many don't survive, in a ones that do are either in a group or hiding out alone and very few try to save with one. You can survive with these helpful tips. If you're left for dead. If you're many

>> VALERIE WINTER

a bunch of teenagers, a grease splotch on her face when she meets me Prince. She wasn't perfect, but that's what made me love her. One of my favorite characters is Queen Levana. She is a Lunar. A Lunar is an Alien force that lives in space above earth. I don't want to give anything + there that it's life
