**Tanner Clark<sup>12</sup>** demonstrates his passion for his team as they execute an excellent play against Quinlan Ford at the Homecoming game. The senior is in his second year on the varsity football team as a lineman. This is a big moment for the Bears football team as they had lost the week before against Bullard. It proved to be their redemption and their first win of the season. They also brought home a victory two weeks later at Rusk, bringing their season record to 2-2.

With football season behind them, the Bears prepare for what's to come - lots of practices, warm-ups, sweat and fatigue. The basketball team has always been known to dominate, and the boys are pumped to start the season strong with the possibility of state in their future. "I think we're gonna be better," senior Trent Sissom said. "Tamrick (Pace) is gonna be the best player against most of the teams that we'll play. I do think we have a pretty good shot at going to state this year. We've been two games away the last two years, and three games away the year before that. We keep climbing up, so I do think we will go to state. Either that, or we'll finish the season working hard."
