AcDec moving on to State

For the first time since 1991, the Academic Decathlon team heads to state competition Feb. 25-28. The team of nine won first at Region Jan. 29-30.

Top: Junior Victor Saadeh and seniors Josh Garcia and Darwin Henderson study out of their four-inch binders. To prepare, the team uses tools such as Kahoot.

Top middle: Senior Alyssa Kerr reads from the study guides to brush up on topics such as math, science, social science, economics, music, art and literature.

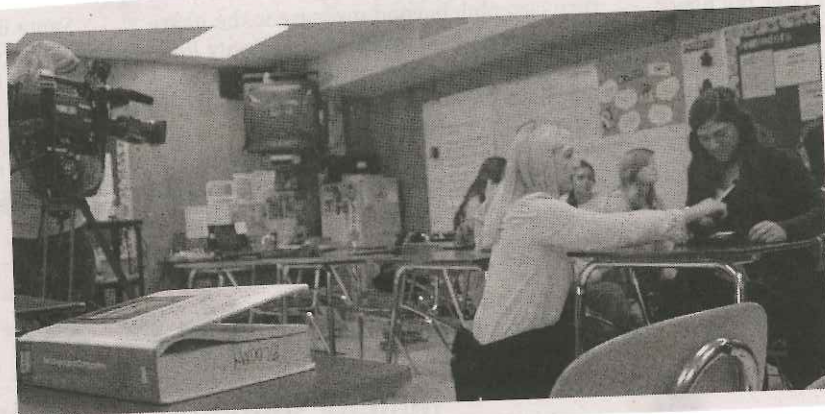

Bottom middle: Senior Alex Trejos and junior Justin Allen look at their own study guides to prepare for state.

Mic up

Amanda Weber, reporter from WOAI News 4, attaches a mic on junior Paulina Mamani before she interviews her for the "Children react to mass shootings" story on their evening broadcast.

Cheesy does it

Chris Madrids' famous Cheddar Cheesy burgers come dripping with melted cheddar. Side order of fries can also come with the cheesy topping. *Photo from Yelp*

Carrying on

Monica Schlueter may not have wanted to go out with Dennis Schlueter originally, but years later, they are married with children.

Not too serious

Despite being together for years, Angela Gamboa and Samuel Mauk can joke around together and consider their fights pointless.
