SUNNY SHOWCASE
A typical sunny day poured down on Sun Bowl supporters at the 23rd Annual Greater El Paso Football Showcase Dec. 20. Players, cheerleaders, band and JROTC members, all chosen to represent their campuses, also represented the east and west teams. The west, which included campus students, pulled out the win 41-40.

PRIVILEGED
In charge of the entire presentation, Cadet Col. Carlos Rubio leads more than 60 cadets onto the field for the presentation of the state flags and six territories. "It ran smoothly," he said. "They were familiar with the ceremony." Rubio, worked his way up to brigade adjutant. The position propelled him as one of the top three highest positions in the district.

ON BEAT

Only one practice session, Samuel Duarte performs with about 300 musicians. "I didn't want to participate at first," he said, "but I'm so glad I did. I made a few more friends."

PRE-GAME WORDS
The campus' only football representative, Anthony Macias takes a moment before kickoff to pray to be safe. "The coaches put me in as defensive end," he said. "I'm used to playing linebacker and safety, so it was a bit of a stretch for me. It was a humbling experience, and actually I was shocked that more of my teammates weren't chosen."
