## FCCLA

Logan Frey<sup>10</sup> and Darby Roach<sup>10</sup> make themselves comfortable in the small room as they visit with an elderly lady, one of the residents at Legend Oaks Nursing Home.

As members of Family Career and Community Leaders of America (FCCLA), club members learn to interact with elders and work with the community in many ways.

"I met this woman who invited us to have a chat and so we stayed there the whole time," Frey said. "We got to know her and it made me feel warmth in my heart."

Visiting nursing homes is just one of the community service projects the members participate in.

"This organization gives me the chance to make a difference in my community, along with my friends," Emily Moeller<sup>9</sup> said.

Members help out in various ways.

"My favorite part about going to the Catholic Outreach Center was cleaning and pricing the clothes for the community," Sarah Grafa<sup>12</sup> said.

The group completed simple but important tasks.

"We helped restock the shelves and cleaned up around the place," Tucker Cavaness<sup>12</sup> said.

As the only club with family as its main focus, FCCLA allows students to volunteer in their community and gain confidence in their ability to help others.

"Making others feel comforted by helping out can mean so much to people and it makes me happy to see each and every reaction," Roach said.
