*Katelyn Marie Goree,
We cannot express the depths of our feelings of love and admiration for you, our beautiful baby girl. It seems just a short time ago you started high school and now that part of your life is coming to a close. We look back and remember all the highs and lows, the laughter and tears, the disappointments and triumphs and through all of this we still see that same beautiful baby girl that you have always been and will forever be ... Of course with a lot of amazing woman mixed in!!!*

*Love You Always & Forever,
Dad & Jaclyn*

Tyler Uhlig
