

# TAWNY JONES

Little T,

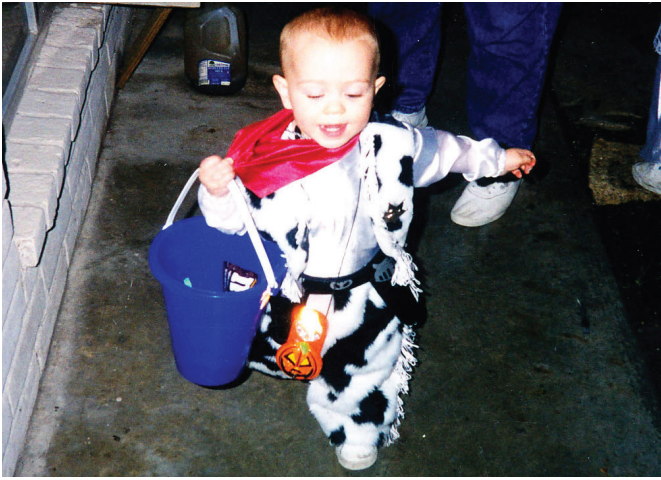

You were the miracle that changed our lives forever. From being the sweetest baby ever, to truly a "good" teenager and now a mature young woman. Grammy, Uncle Paul, Uncle Dean, Aunt Elaine & I are so proud of you and everything you have accomplished. Always set your goals high, believe in yourself and know that ANYTHING is possible! I admire your determination and your natural born leadership ability. You are definitely a Leader, not a Follower; remember to continue to think for yourself, trust in God & trust your intuition to make the right decisions. I know you are ready to embark on the next chapter of your life (much more ready than I am!), but I feel confident that you will continue to be successful at whatever you do.

Love you more than anything else on Earth,  
Mom

# JACKSON PEAK

Dear Jackson,  
We are so incredibly proud of the confident, hard-working, independent young man you've become. You have even made it through a 3D movie (4D is still evil) and learned the actual ending to "Call of the Wild!" Watching you take full advantage of all the opportunities you have available to you now, we know you will achieve your goals in college and beyond.  
"May the odds be ever in your favor."  
Love, Mom, Ethan, Oma and Opa

# CANDACE REYES

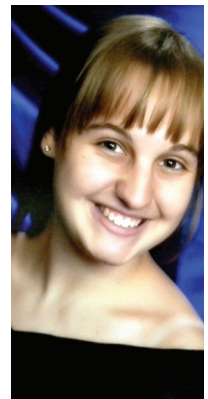

Candace, Congratulations! It has been a privilege to watch you grow these last 18 years. You are a kind, independent, and beautiful daughter. We could not be more proud. We are so excited to see what you accomplish in the future. We will always believe in you and you should always believe in yourself, no matter what.

All our love,  
Dad, Mom & Sidney

# KATELYN SANDERS

Katelyn, I can't tell you enough how proud I am of you and how much I love you! I pray you will carry only happy memories of school with you and that your future is all you've dreamed of!  
Love, Mom

# RAQUEL FREESE

The Lord bless thee, and keep thee: The Lord make his face shine upon thee, and be gracious unto thee: The Lord lift up his countenance upon thee, and give thee peace.
