

You are my sunshine,
my only sun-
shine. You make me
happy when skies are gray.
You never know dear how much
we love you! We have enjoyed watching
you grow into the young lady you are today.
You have exceeded our every expectation through
your hard work and dedication of being the best
athlete and student that you are today. Keep
the faith and
God first in your life
and you will exceed!
We love you!

Elizabeth Jane Helms

We remember Wizzy,
wearing her gorgeous
and holding her blanket
Always a ruffle.

We remember tiny, false
teeth, scary ostriches,
zebras, Powerpuff Girls,
and MOUNTAINS of
Barbies.

We remember Twisters,
crazy buns and
scraped noses from
trampoline flip flops.
Practice made perfect.

The only thing we don't remember, not even in the
slightest is one single moment we weren't proud of you.
