

MASON LANE

Mason,
We can't believe the time has come for you to graduate and go off to college. It just seems like a short time ago that you were our blonde little boy running around with a chili bowl haircut. We are so proud of you and the young man you have become. God has blessed you with your musical abilities and your passion and love for it shows when you perform. We know God has great things in store for your future and can't wait to see where He leads you. We love you, Mom, Dad, Brennan, Kelsey and Taylor
Psalm 92:1 It is good to praise the Lord and make music to Your name, O Most High

ELLIE MUETZEL

Ellie,
To say we're proud of you doesn't even close to how we're feeling. You have grown into an incredible young woman, and this is only the beginning! You are a person of strong faith and character, intelligent and talented. It has been our pleasure to watch you develop into who you are today. So many adventures and opportunities await you - take advantage of them! You have the world at your fingertips...No regrets Ellie!
