# Angela Borden

Angela Breano,  
We are blessed to have you as our daughter.  
Proud is too small of a word and love falls short  
when expressing how we feel about you.

Live your life to the fullest and enjoy the journey.  
We love you with all that is us!  
Mama, Vero and Dad

"She's a mess of gorgeous chaos and you can see it in her eyes."

# FAITH LEE MCKIDDY

Faith Lee McKiddy,  
Daddy's shorty, Momma's beautiful princess and Tye's  
sissey. From the moment you were laid in our arms, we  
could see the sparkle in your eyes and knew that there  
was something special about you. You have provided us  
with so much joy and laughter. You are a beautiful, strong,  
loving young lady. Your life is just beginning, so go into this  
big world with excitement and confidence that you can do  
anything. Your dreams are waiting for you to reach them!

We love you to the moon and back.  
Daddy, Momma and Tye (Bubby)

They are plans for good and not disaster; to give you a
