

# Tanna Morton

Tanna- Oh what a blessing it is that God chose us to be your parents. It has been such a joy to watch you grow into the woman you are today. Your laughter is contagious and your grace is amazing. Kaden scored big by getting your for his big sister! Thank you so much for being such a great role model for him. Words cannot express how proud we are of you and how anxious we are to see what the future holds for you. "For I know the plans I have for you," declares the Lord. Jeremiah 29:11.

The fact that you really try to live to "wear love everywhere you go" Col 3:14, is so very inspiring!

We love, love, love you so much!  
Mom, Dad, & Kaden

Sweet Annie Laine,  
We could not be more proud of you. Every day you grow to be more and more the person God created you to be! Who could ask for more? We love you bigger than the sky... Roll Tide! Mom, Dad & Caroline

You are human, not perfect. You've been hurt, but you are alive. Think of what a precious privilege it is to be able to chase the things you love. Sometimes there is sadness in one's journey, but there is also lots of beauty. Continue to keep putting one foot in front of the other even when you hurt, for you will never know what is waiting for you. We can't wait to watch you make your mark on the world. We love you, Dad, Mom, Henill & Prisha
