

Kinsey McCloud

Kinsey,
I found the jar of lucky stars you gave me and I re-read the ones I had already opened and opened some new ones. After reading them, I am reminded of how much we have shared through the years. School lunches, movies, concerts, rides to school, field trips and road trips. I know this- ES-CAP-E is spelled just like Escape, if you just keep swimming you won't get the Cheese Touch, and ZOOWEE MAMA I like Ben 10 and the Arctic Monkeys. I love you!
Daddy

To my Fo Shizzle,
I have written several messages today trying to get each one just right, but there is so much that I have to say. Let me just say that I am so very proud of you! I can't imagine what I would do without my little sister. I love you very much! I know that you can accomplish whatever you set out to do.
Love,
Kayla
