Logan,

It's so hard to believe that you are graduating high school! It seems just like yesterday you were born. You have grown into such a smart, kind, considerate, and money conscious young man. You have made your father and I so proud. Good luck in your new endeavours. We know you will tackle them with the same skill and enthusiasm as you have done with life so far!

We love you!  
Mom, Dad, and Presley

How did we get here so fast? Time has flown, and it has been an amazing journey watching you become the beautiful, caring, and thoughtful person you are today.

Remember you ALWAYS have a choice in life. Remember your morals, your values, and your integrity. Hold onto those. Remember that the choices you make CAN and WILL be positive or negative and YOU determine that outcome. Take responsibility for your choices. Attitude is a choice!!!!

We love you and are so very proud of you. We can't wait to see where the next steps in life take you!

Love always,  
Mom, Dad, Dalton, Granny, and Papa Alex
