

Stuck on the environment

Environmental club sells pieces of duct tape to raise money for organic garden

Photo by Macy Loyd

"The AP's were asked by Mrs. McPherson and I said yes because being taped to the wall was better than being pied in the face. I was a little disappointed that there wasn't enough participation that I could hang on the wall."

-Tereasa Back

"The money raised was for the organic butterfly and vegetable garden here at school. We've bought soil, plants and seeds. We'll probably be having more fundraisers soon depending on what all we need."

-Doc McPherson

"I donated about five dollars because I couldn't pass up the chance to duct tape Ms. Back to the wall and I wanted to help Environmental Club raise money for their garden."

-Skylar Jordan (11)
