## KLEIN COLLINS HIGH SCHOOL

High school, four years, countless students, seven periods, working toward one goal: graduation. Klein Collins High School opened in the fall of 2001. Thousands of students have walked these halls and created memories that will last a lifetime. Our high school is not like any other. Our students strive to be the best that they can be in every aspect of their lives. Even though Klein Collins and Spring, Texas are just a small part of a big world, they have made a big impact on our lives. We want to remember our atypical school and town the way it is after we graduate and go out on our own. After graduation, it will be the end of our journey here, but it is a new beginning.

These panoramas showcase the places we will remember and the part of home we will carry with us as we branch out after high school.

## ROOM 173, MARCH 18, 2015 photo by Hanna Enklemann

Welcome to Room 173, this is where the magic happens. This room is home to 34 staff members, 12 editors and one advisor who have put their blood, sweat and tears into this yearbook. Although this journey was not easy, it was well worth it. We would not have had it any other way. **Index closing by Rowan Moncur**

"I eat salads every week and love sushi. Country music is my absolute favorite thing to listen to." -Christina Yonkeu, 12 □ "I feel like I am different because I have a very unique laugh compared to other people." -Sarah Davila, 12
