The time I...

Laughed the hardest in class

"This kid sat on a broken desk and wiped out. He almost cried."
    -senior Alexa Duchatellier

Was impacted by a teacher

"I was impacted by Mrs. Currie because she has been helping me through school."
    -junior Kyler Neese

Was the most proud of myself

"When I got an 83 on a test that everyone else bombed."
    -junior Drew Ruhe

By the Numbers

Bears calculate their way to success

Q&A
