 Gregory Bevans  
 Taylor Bilotta

"I participated in color clash and spirit day. During color clash I wore a long-sleeved black shirt, and on spirit day, I wore a 'lion nation'/'beat Boyd' shirt."  
 -Keyla Soroa

**62%** students participated in spirit days

**40%** prefer whataburger

students are from **McKINNEY**

"I was actually born in McKinney's hospital. I like living here now, but when I am older I want to move somewhere else."  
 -Sofia Gutierrez

**70%** students have part-time jobs

**Oak Hollow Golf Course**  
 "I learned a great deal of patience, that was really my first like, real job and the paycheck wasn't the best, but it was still something and it was something to work for. I found some kittens in the back, that was kinda weird."  
 -Jacob Smith

lowest student ID number:

**Andrew Judd**  
**102155**

"We've had someone at McKinney High School for the past like 12 years. I feel like I'm supposed to leave a legacy here. McKinney has been my home for a long time and it's really special for me. I love McKinney High School."

**36** varsity musicians

\*percentages calculated from a pool of 200 students

- Alexia Jackson, Shreveport
- Christian Purcell, Slidell**  
 "I probably wouldn't be showing if I were in Louisiana, it's just hard to have farms in Louisiana. It's just where I've lived practically my whole life, it's my favorite place to be, here at my farm."
- Grant Morgan, Walker**  
 "I learned how to shoot a gun. It was a BB gun, not a real gun, we were out going after squirrels and rabbits and my step dad, he let me try it and I remember the first time I actually pulled the trigger, I hit a tree and the pellet bounced off of the tree and nearly hit us."
- Alyson Gelpi, Slidell

**97%** of students are the first to graduate from MHS out of their family
