

OFF Campus

What do you do with your time outside of school ?

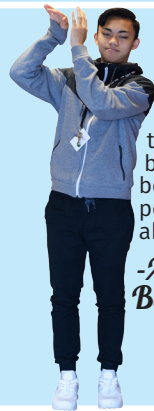

"A lot of the time when I'm not in school I'll hang out with my family and my dog and take piano lessons, but my favorite thing is to go with my friends to the movies or the Pearland Town Center."

-Nathan Sood

"When I'm not on campus I like to play both the piano and the flute. I've been playing the piano for eight years and the flute for three, but when I'm not doing that I'll watch superhero TV shows like Gotham or Flash."

-Katherine Xie

"When I'm not in school my favorite thing to do is play basketball. I've been playing point guard for about 7 years."

-Adrian Badillo

"Outside of school I go out to take care of my lamb and goat for FFA. Also, when I'm not in school my favorite thing to do is to go on vacation."

-Kenena Hanson

Which AP Class Should You Take?

Are you interested in how people interact with the world?

YES

NO

Do you want to learn more about yourself and how people think?

YES

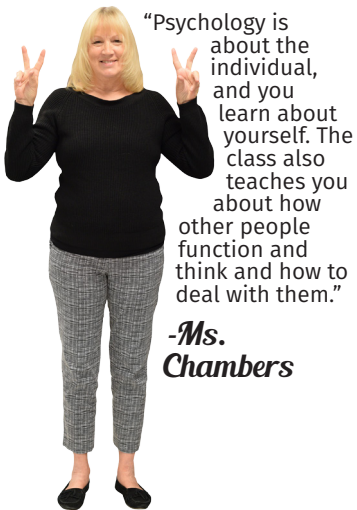

NO

Are you more interested in art and philosophy or history?

ART AND PHILOSOPHY

HISTORY

AP Psychology

"Psychology is about the individual, and you learn about yourself. The class also teaches you about how other people function and think and how to deal with them."

-Ms. Chambers

AP Human Geography

"The class deals a lot with world cultures and how those people interact with the environment."

-Mr. Wagers

AP European History

"Students interested in art, architecture, and philosophy will most likely enjoy this class because that's covered the most."

-Mr. Robb

AP World History

"The ideal WHAP student knows how to put in work, enjoys reading, and enjoys history because it is a very history intensive course."

-Mr. Sirmon
