There are **177** days every school year, but each day is unique. Days filled with struggles like the **163** seniors not being able to park in the senior parking lot or construction getting in the way of everyday activities. Days filled with a total of **65.26** inches of rain, Hunter boots and ridiculous road conditions. Days filled with wearing jandals, comfort color t-shirts and cuffed jeans. During these **177** days, students read, write, create and compose in our **66** classrooms. For every **1** student is a life completely different from the other **728** students in the school. During the **50** minutes in each class period, students struggle with their LE's and Huckleberry Finn projects. Then, during the **5** minutes between classes, students rush from E-hall to drama while checking their **10** second Snapchats. Whether you spend your **8** hours watching Crash Course videos in World History, writing STAAR essays for English or practicing in the indoor...

# every day counts.

#### // PRAYING FOR KEEPS

Gathering together, **Juan Salazar**<sup>9</sup>, **Tarik Rascoe**<sup>10</sup>, **Tyler Anderson**<sup>12</sup>, **Allen Ontiveros**<sup>11</sup>, **Kenny Spradley**<sup>12</sup> and **Dustin Jacks**<sup>12</sup> pray before the District Meet on Oct. 14. The boys' team won district and the girls' team came in second. *Photo by Tony Jeter*

There were **37** weeks of school. Weeks filled with biology homework, chemistry labs and viral videos. Weeks filled with face-swaps, Sonic drinks and soft smiles. Weeks filled with **\$5** Bulldog Specials from Chicken Express, after-school workouts and band rehearsal until **9** p.m. By the end of the year, **7** sports teams had made it to playoffs and players from **4** teams competed at state. The UIL academic team earned the district championship with **417** points, eventually advancing **2** students to the state meet.

No matter where you spent the most time on our **48** acres, whether it was the field house, band hall, commons, wood shop or auditorium...

# every day counted.
