

Oh, how time flies... You have grown to be a determined and focused individual who isn't afraid to speak his mind, and that I admire. You're not only just an awesome brother, but you're also a compassionate and understanding person toward others. I would like to say that I am very proud of you and all the effort you have put into achieving your goals. I know the unknown is a little scary at times but believe me things will be ok. Think of this next transition in your life as an adventure that has many more surprises to show you! Congratulations Jovanni.
