

# PATRON

# DONATIONS

**W**e aren't a traditional school. Many of our students commute from various corners of the city, while some come from just down the street. And while we don't all call the same neighborhood "home," we are all part of the same community, under this one school roof. Which is why when it comes to fundraising, *the Vespa* takes a less traditional approach, each year

focusing our efforts on a donation drive from yearbook supporters, or patrons. Patron donations allow us to reach out to all of our community members--teachers, students, family, staff-- as well as neighboring businesses for support. It allows each contribution, large or small, to benefit our students and this publication. While some funds used may be spent on the production of this yearbook, the primary goal of the donation drive is to raise funds for yearbook scholarships, awarded to involved students who wish to

purchase a yearbook, but may not have the means to do so. Our yearbook isn't just about a select few, it's about everyone. To illustrate this, in Volume 30, we have tried to include every single person on this campus on our timeline, which runs along a blue bar on nearly every page of the book. It's been a lot of work, but it's worth it. Our goal is to have everyone smile when they see themselves in the book. Without our wonderful sponsors and supporters, our yearbook would not be available to all students. Thank you for your generosity!

**All Kinds of Generous**  
 Platinum sponsor, Aaron Franklin proprietor of Franklin BBQ dines in with a couple of small groups as a speaker in this year's Brown Bag Lunch series. A busy guy--Franklin managed to make time for his community in between the unprecedented 100 briskets his restaurant smokes a day, and other speaking engagements. On the day he came to Kealing, he had already been interviewed by NBC. Photo by Kristen Scott
