

Your future does not lay in front of you...it lays deep inside you. Life is not about finding yourself...it's about creating yourself. When life becomes a rollercoaster, climb into the front seat, throw your arms in the air and enjoy the ride. Rise by lifting others. When life gets crazy, do something normal...and if life gets too normal, do something crazy. Always be nice. Life is all about how you handle Plan B. Practice the art of listening. Play with wild abandon no matter how old you get. Find the joy in all choices you make. Remember, in the end, good girls always win. Never forget...I will love you forever, for always and no matter what. (Wonderful Wacky Words of Wisdom for My Daughter) We are so proud of you! Go follow your dreams and chase your destiny!

Play with wild abandon. Live with real intent. Reach outside your comfort zone. Expand your mind to encompass great ideas. Choose with no regrets. Listen hard. Practice wellness. Use the magic of your mind to serve others. Walk on the edge of your horizons. Let your creativity run wild. Breathe in those moments that take your breath away. Think big...if that doesn't work, think bigger. Laugh a lot. Do something each day that scares you. If you're going to doubt something, doubt the limits that bind you. Whatever you are, be a good one. Do what you love, and live as if that is all there is. You are pure, raw potential waiting to be born. Become that person you've always wanted to be. (Wonderful Wacky Words Dare to Be Remarkable) We are so proud of you! We haven't had "Always", but we have "Forever"!
