

Jamie Calhoun, 12

Q: *What inspired you to get into acting?*

"In seventh grade I had my first acting experience. I did a scene in theater arts and I had a lot of fun, and my teacher really seemed to like my acting skills."

Q: *Do you have a role model? Who and why?*

"My role model in acting would have to be Halle Berry, because she takes good care of herself and her acting skills are just really great."

Q: *How was your experience at the New York Film Academy?*

"It was really fun. It was the first time I have ever done that. I did a short film while I was there and I also did a article over a magazine. It was really nice."

Q: *Have you won any awards, and what were they?*

"I have won awards for UIL, and a certificate from the New York Film Academy."

Q: *Do you plan to pursue acting and what type?*

"I want to be on TV and DVD's, I just want to be in the spot light."

Q: *How does acting make you feel?*

"It makes me feel really great. When I'm in front of a lot of people I'm not nervous or anything. It is a really fun and great experience."
