

All We Do Is Win, Win, Win, No Matter What

Maintaining Baron pride despite wet weather

Jordan Miller (12) leads the football team through the runthrough.

Nick Cione (11) tackles a player on the opposing team, stopping the opponent from scoring.

"I like playing football because I learn so much. I learn how to work with a team, do my job, and manage my time. Plus I get to do it with an amazing group of guys and have tons of fun!" Jordan Miller (12)

WHAT IS YOUR FAVORITE PART ABOUT FOOTBALL?

"My favorite part of football was the feeling after beating John Cooper because there's nothing like winning a close game with good defense and seeing a young guy, LeeCharles McNeil, come and put on an awesome performance when his team needed him." Jeremy Ritter (11)

"My favorite part of football is going to practice on Saturday and spending the morning with my team. No matter if it was after a win or loss." Joe Heath (10)

Seniors

The five seniors Jordan Miller, Nick Stolt, Sam Goldstone, James Liljenwall, and Harrison Stafford led the team to a total of six Baron victories.

The team captains meet in the middle of the field before the game. In the picture to the left, seniors Jordan Miller, James Liljenwall, Harrison Stafford, and Sam Goldstone participate in the coin toss on their Senior Night. Unfortunately, the rain did not cease until later in the first half, but this did not stop the Barons from winning.

Football Family After beating Hawkins School of Excellence 63-0, the team took their last post-game team picture of the season. It was a great way to end the season. "One of the greatest parts of football is the sense of family. From the first day of practice to the last, the Seniors were always welcoming and caring, even though some of us were freshmen. I am forever grateful for their role in building this program, and I promise we will carry it when the Seniors are gone." Nico Lamanna (9)
